Spanish Mission- Iglesia Holy Communion

It has been a long journey for me in my life with many lessons that I learned that bring me here. As Proverbs 19:21 says "Many are the plans in a man's heart, but it is the Lord's purpose that prevails". Thanks to the Lord for keeping me in his plans.

I express my deepest thanks for the opportunity at CHCC to the Bishop, Priests, Deacons, Deaconesses, Sr. Warden, Jr. Warden , Vestry, Secretary, and Parishioners.

Now, it's a new journey with new responsibilities, that only can be continued with the Help of the Lord and your Prayers. Thank you to CHCC for the support of the Spanish Mission.

I would like to share with you a picture taken yesterday for my official first full service in Spanish. The plan with the Grace of the Lord is to continue sharing the gospel to all people. Mat 28.

Sincerely, Fr. Jesus Quintero

A Surprising July in Texas and England

July started with a stunning, unexpected surprise for our family. Mary and I arrived home from a beautiful July 4th Sunday Eucharist at Holy Communion; I checked the news on the computer and saw a letter handwritten from Queen Elizabeth awarding the 'George Cross', Britain's highest civilian honour to the National Health Service, backdated to all who have served since 1947. We were speechless and it took some time to sink in. We were delighted for Mary, my wife of forty nine years, who had served in the seventies. After this she has worked alongside myself in schools and ministries. We are a team and love working together, so many gifts I do not have, Mary has in abundance. I thank the Lord for placing her alongside me. We look forward to more ministry together here in Texas and in England. As one Activity Director put it as we visited her Senior Residents in Dallas, "Did she get the award from the Queen for putting up with you?!"

July continued in a wonderful way with Mary and I attending "Forward in Faith" and the "Anglican Way Institute" for four days. We met many inspiring new people from all over the USA, pondering C.S. Lewis, and making new friends. We worshiped, were taught by Peter Kreeft, and enjoyed the company of fellow travelers in the Kingdom of God. This was indeed a "Surprised by Joy" time.

An Ordination in England

July 19th I was recalled to England for a “Presbyter” Greek name for early Priests Ordination in England. First though we had to endure very strict quarantine after six days and five negative tests, we were released! The ordination at St David’s Preston in the North was low key but had very special meaning to “set me aside” for service in the country of my birth. The Free Church of England of the Reformed Episcopal Church has a five year plan of Church planting and replants. I intend to support it one hundred percent drawing on great models seen in North Texas. Following the ordination we drove south to Christ Church, Broadstairs an F.C.E. church in Kent the “Garden of England.” Broadstairs is very near Canterbury an attractive seaside town beloved by Charles Dickens and Queen Victoria. Increasingly Londoners are often moving there and commuting or buying second homes. The North of England, the South of England; we are all God’s children called to be Christians in a troubled world. If you wish to know more about the Church situation in England do please attend a mid morning Sunday school break in the Hall on the 22nd and 29th August. I will do my very best to expand on this for your information, particularly for those of you planning to visit in 2022.

My stay in Dallas has been confirmed for the next eight months by Bishop Primus John Fenwick. I look forward to learning more and extending my ministry of teaching, speaking and visiting churches here in Texas. I am waiting on confirmation of the right time to visit California and South Carolina Anglican churches.

Wherever ministry takes us in the future we will keep our home in Dallas and visit with you all and our children in Dallas. Indeed in the future we look forward to regular return visits to Holy Communion and the ministries I have established in many retirement centers here in Dallas in due course. I thank Holy Communion for formation in worship and Cranmer House Seminary for study opportunities.

Surprised by Joy indeed! Thanks be to God.

by Fr. Steven Jenkins, Presbyter in the Free Church of England of the Reformed Episcopal Church

Camaraderie and team spirit were also highlighted in the Olympic Team Handball sport and the World Cup sport of Cricket. The support of the Church was a factor in a calling to ministry in Dallas.
