

Greeters

Why would anyone want to be a CHC Greeter you ask? We believe that by God's gracious Holy Spirit, the loving attitude of Christ shines forth in the hearts and words of each CHC Greeter, making a significant & positive impact upon everyone passing over the threshold of our church for worship.

The mission of the CHC Greeter Ministry reflects this belief: "A Greeter is a person who warmly welcomes people into Church of the Holy Communion. A Greeter wishes another peace and well-being in Christ's name."

Please consider joining this wonderful ministry at CHC - we would love to have you.
